

LOCAL AUTHORS COLLECTION SUBMISSION FORM

The purpose of the Local Authors Collection is to showcase locally-produced, self-published, independent press works of fiction, non-fiction, music and film for library patrons of all ages. It is a contemporary, circulating collection (i.e. non-archival/non-retrospective). Please note that due to space considerations, an entire body of an author’s work may or may not be included.

Submissions are welcome from authors presently living and/or working in Peterborough and Peterborough County.

Items are selected in accordance with the library’s Materials Selection Policy, November 2017.

If interested, complete, sign, and submit this form, with your work, to the Peterborough Public Library, **attention Local Authors Collection**. You will be contacted by library staff on whether or not your work is accepted. Work that is not accepted will be returned to you.
